

MARE NOSTRUM MONACO

MARE NOSTRUM TROPHY®

There are two individual classifications established by addition of the best score on the quotation table, realised during a final at each meeting of the Mare Nostrum Tour (Barcelona - Canet - Monaco).

At each meeting, and for each swimmer, the best performance on the quotation table will be accepted, without considering style nor distance:

- during an A final
- from ¼ finals of the speed tournament (Monaco)
- from the eight best times realised for classified tests (400m freestyle and IM in Monaco, 800m and 1500m in Barcelona and Canet)

The addition of the points obtained will designate the winner of the Women trophy and the Men trophy.

2 Classifications 1 for Women, 1 for Men.

Prizes Dealing: Prizes for Mare Nostrum Records (750€) and Trophy will be given hand to hand, during the Gala dinner to the swimmers awarded, whom won't be represented.
